

TJ's Gym is thrilled to announce another year of partnership with SPARK to raise money for our schools.

We will donate to SPARK 100% of the cost of all introductory class memberships purchased by Larkspur School District parents during the 11/12 school year. That's right, 100% of initial class memberships will go to SPARK, so what's great for you is great for our schools!

Get yourself and our schools in shape this year!
